

Welcome to your Summer 2016 Activity Guide! Help us celebrate 90 years this summer with traditional Parks, Recreation & Forestry events and some NEW and exciting activities and opportunities!

Start the summer with a FREE Arbor Day Celebration April 29th where you can observe a NEW program offering, Recreational Tree Climbing. See page 37 for program dates available for you and your family to participate in the fun-filled adventure yourselves!

The Les Paul Performance Center is set to host the NEW Monday Night

Movies in the Park beginning May 9th (see back cover) as well as continue with Tribute Tuesdays and the long-standing tradition of Thursday night Civic Band Concerts.

In addition to celebrating 90 years, who can forget the summer Olympics! "Catch the Olympic Spirit" at a Horeb Pool Special Event Saturday, July 16th (pg. 18), join in Olympics Games at a FREE Friday Family Event July 29th (pg. 20) and have your little gymnast "Go for the Gold" at the WPRF Gymnastics Camp in August (pg. 36)!

Take advantage of all that Waukesha Parks, Recreation & Forestry has to offer. Try a fitness class, learn how to play a new sport, partake in the joy of the Independence Day celebrations!

It's been a great 90 years of enjoying our wonderful parks, events and programs ... here's to 90 more!

Sincerely,

Shawn Reilly, Mayor of Waukesha
